### About This Game

Among the cold Northern Glaciers hidden from unnecessary eyes is a mysterious structure - the local call it Labyrinth Ao. Allegedly it was built for some of its goals by the werewolf Ao, by whose name the design is named. For many years this place did not bother anyone until one day from its depths did not emerge hordes of undead and did not terrorize peaceful settlers. Then the king of Regnum, the local state, hired a mercenary mage of Klipema who courageously agreed to clear the Labyrinth of the wandering death. Here's just a catch: no one ever returned from the Labyrinth ...
