About This Game

HELLO, OPERATOR

A CARD GAME LIKE NO OTHER

Tri Wing is an easy to learn, grid based card game where the action happens in real time. Make your deck, draw your cards, and eliminate your opponents! Action is fast paced and positioning and reflexes matter just as much as proper deck building.

REAL TIME GAMEPLAY - Even though Tri Wing is a card game, the action happens right after both players choose their cards! Dodge, reposition, and attack when the moment is right!

CUSTOMIZATION - Create a custom deck with a custom color palette, and play in your own unique style! Whether you play control or aggressive decks, the choice is yours

EASY TO LEARN - Controls are simple, complete with tutorials, card descriptions, and a training stage!

Tri Wing is also CROSS - PLATFORM with Android, iOS, PC and Mac
